

1ST INTERNATIONAL CONFERENCE ON PHONONIC CRYSTALS,
METAMATERIALS & OPTOMECHANICS

Oral Presentation Scoring Sheet

Presentation Title: _____ Paper Number: _____

Student Name: _____ Judge: _____

1. Introduction and Explanation of the Research Question

- _____/10 pts Provides clear and concise statement of the research question
- _____/5pts Provides adequate background of the research question
- _____/5pts Motivates study of the research question
- _____/ SCORE (Maximum = 20)

2. Procedures Used (Experimental and/or Theoretical)

- _____/5pts Clearly describes approach to addressing research question
- _____/5pts Appropriateness of procedures
- _____/5pts Identifies limitations of procedures
- _____/ SCORE (Maximum = 15)

3. Results

- _____/10pts Presents results clearly and concisely
- _____/5pts Demonstrates why procedure(s) utilized were appropriate for research question
- _____/5pts Relates results properly to other studies of the same/similar problems
- _____/ SCORE (Maximum = 20)

4. Conclusions

- _____/10pts Expresses conclusions clearly and concisely
- _____/5pts Logically develops conclusions from the results
- _____/ SCORE (Maximum = 15)

5. Skills of Presenter: Ability to Articulate Work and Develop Presentation

- _____/10pts Overall aesthetics of presentation
- _____/5pts Speaks clearly and articulately, demonstrates confidence on topic
- _____/5pts Demonstrates a clear plan from beginning to end
- _____/5pts Demonstrates clear mastery of all aspects of project
- _____/5pts Answers questions effectively
- _____/ SCORE (Max = 30)

_____ **TOTAL POINTS (Maximum = 100 pts.)**

1ST INTERNATIONAL CONFERENCE ON PHONONIC CRYSTALS,
METAMATERIALS & OPTOMECHANICS

Poster Presentation Scoring Sheet

Poster Title: _____ Poster Number: _____

Student Name: _____ Judge: _____

1. Introduction and Explanation of the Research Question

_____/10 pts Provides clear and concise statement of the research question

_____/5pts Provides adequate background of the research question

_____/5pts Motivates study of the research question

_____/ SCORE (Maximum = 20)

2. Procedures Used (Experimental and/or Theoretical)

_____/5pts Clearly describes approach to addressing research question

_____/5pts Appropriateness of procedures

_____/5pts Identifies limitations of procedures

_____/ SCORE (Maximum = 15)

3. Results

_____/10pts Presents results clearly and concisely

_____/5pts Demonstrates why procedure(s) utilized were appropriate for research question

_____/5pts Relates results properly to other studies of the same/similar problems

_____/ SCORE (Maximum = 20)

4. Conclusions

_____/10pts Expresses conclusions clearly and concisely

_____/5pts Logically develops conclusions from the results

_____/ SCORE (Maximum = 15)

5. Skills of Presenter: Ability to Articulate Work and Develop a Poster

_____/10pts Overall appearance of poster

_____/5pts Speaks clearly and articulately, demonstrates confidence on topic

_____/5pts Demonstrates a clear plan from beginning to end

_____/5pts Demonstrates clear mastery of all aspects of project

_____/5pts Answers questions effectively

_____/ SCORE (Max = 30)

_____ **TOTAL POINTS (Maximum = 100 pts.)**
